

## HOLDING HANDS

CHORUS:

Can't you feel the rythm beating  
My heart follows your drum  
Like a linnet swing you remind me  
Of the warmth of the sun

VERA:

Your hand in my hand  
Like silk on a cloud  
My heart in your land  
That's what it's all about  
Your truth, your love prooved  
I don't know how  
You came to love me  
And made me a vow  
... Holding hands

MARIO:

Your hand in my hand  
I feel your warmth  
Together we understand  
We cannot be harmed  
'Cause my soul's connected  
Like a sunburst in flames  
Never neglected  
true love in our vains  
... Holding hands  
... Holding hands

VERA:

Can't you feel the rhythm beating  
My heart follows your drum  
Like a linnet swing you remind me  
Of the warmth of the sun

VERA / MARIO:

Can't you feel the rhythm beating  
My heart follows your drum  
Like a linnet swing you-hoe remind me  
Of the warmth of the sun... of the warmth of the sun

Your hand (your hand)  
in my hand (my hand)  
Like silk on a cloud  
My heart in your land  
That's what it's all about

Can't you feel the rhythm beating  
My heart follows your drum  
Your truth (your truth)  
My heart in your hands
