

LIFE IS EASY

Life is easy
you will be allright
Life is easy
If you just open up your eyes

I always searched for perfectness in life
Thought that could ease my mind
But it didn't lead to happiness
So I left that thought behind

I always made new rules to live by
Thought they'd do me good
But they turned to crushing stones
Oh, I should have known they would
... I should have known, I should have known

SOLO

I always feared that all goodbyes
Might turn into farewells
So all goodbyes were never easy
Because they made me want to cry

bridge:

Life, life is easy
If you just release your ties
Life, life is easy
If you just smile a million times

CHORUS:

Life, life is easy
You will be allright
Life is easy
If you just open up your eyes

Life, life is easy
You will be allright
Life is easy
Just release your ties

Life, life is easy
You will be allright
Life is easy
Just smile a million times

Life is easy
Open up your eyes
Life is easy
Just release your ties

Life is easy
Open up your eyes
Life is easy
Smile a million times

Life is easy ... easy
