

## SAVING OUR WORLD

It was't somethin that we done  
It was't somethin that we done wrong  
We just did things in our own way  
Just played a role in our own game  
Resources consumed  
Humanity doomed  
All life is at stake  
The rest is fake

Now that you've come  
Saving our world  
Give us back life  
We thank you angels  
AhhOeh etc.

Made the oils stop flowing  
And made the grain stop growing on  
Acid rain and earthquakes shattered  
Nothing we done that really mattered  
Ashes of wars  
Lost by the Lords  
Our lifes are fake  
Cause of love we can't make

Now that you've come  
Saving our world  
Give us back life  
We thank you angels  
AhhOeh etc.

RAP:  
Lived and died  
Atoms fried  
Breathe no more  
Treated earth like a whore  
Joy for a minute  
Drained down in sin  
Didn't pay our debts  
No interest in it  
Your bullets don't kill  
But seed what we lost  
We thank you angels  
For harvesting tghoughts  
From light-years away  
Stopped our destruction  
Came out to help  
Give us instruction

We'll do it right this time  
Save the world from our crimes)  
Respect our inheritance  
Use your intelligence to  
Build us a brand new world  
Water, air, a brand new earth

repeat RAP & We'll do it right .... (etc)
