

## SOMEBODY TELL ME

The secrets of life that I'm trying to find  
Keep leading to crossroads without any signs  
The crossroads then turn into mountains to climb  
Making my past part of the future that hides

The questions are hiding, the answers unknown  
Although I'm trying, I can't find the road  
To wisdom, and safety and living in peace  
With myself, my beloved ones and all those I need

Somebody tell me  
Cause I don't know  
Somebody tell me  
Which way to go

My shadow reflects me, the fool, now I know  
'Cause fools never know wich direction te go  
I cry when I'm happy, still cry when I'm down  
Is the secret of life known by actors or clowns?

Somebody tell me  
Which way to go  
Somebody tell me  
Cause I don't know  
    Somebody tell me  
    Which way to go  
    Somebody tell me  
    Cause I don't know  
    Somebody tell .....

Somebody, somebody, somebody ..... tell me  
Some some somebody, some some somebody

The secrets of life that I'm trying to find  
Keep leading to crossroads without any signs
