

## YOUR LOVE MAKES ME COMPLETE

I'm looking at your lovely face  
In the rising morning sun  
The curtains draw a shadowed grey  
On your hair while you just lay there sleeping

Peacefully beside me  
A smile around your lips  
A little twitch might show  
You may be dreaming dreams 'bout never leaving

I love you, I love you

I love you, I adore  
I worship you like I have never done before  
Your love makes me complete  
The sparkle in your eyes that you reserve for me

Slowly you wake up and shiver  
Rub your weary eyes  
You smile at me and whisper hold me close  
For every day to come and more to follow

Hold me in your caring arms  
Caress me tender with your charms  
Warm me in your soft embrace  
Cool my glowing face and fill my silky space with kisses

I love you, I love you

I love you, I adore  
I worship you like I have never done before  
Your love makes me complete  
The sparkle in your eyes that you reserve for me

I love you, I adore  
I worship you like I have never done before  
Your love makes me complete  
The sparkle in your eyes that you reserve for me  
Just for me
